As an Asset Manager, he looked after the E&P department, GAIL, New Delhi since 2008, well versed with various block related activities of Indian Operated Blocks and Indian & Overseas Non-Operated blocks. During his tenure, Major Oil and Gas discoveries were made in Indian on-land blocks such as Tripura and Cambay Blocks. Gas Discoveries in overseas Off-Shore -Myanmar A1 & A3 blocks and commenced the commercial production and Revenue Generation has been started from A1 & A3 Blocks. Have thorough knowledge and proficient in PSC & JOA and its monitoring & Compliances. He was Member of Operating Committee and Management Committee

and was instrumental in resolving many issues at OC & MC levels. The Profit has been augmented during his tenure from Myanmar Overseas blocks A1 & A3. Effectively coordinated with Operators, DGH/ MoP&NG, MOEF-CC etc., Extended all technical support towards Production related activities to the GAIL Operated Blocks and to other Operators. He functioned as HOD of E&P Department till 2019.

He has been holding position of Director (Commercial) till July 2020 and Chief Operating Officer in Godavari Gas private Ltd. He is the Overall Project In charge for Kakinada -Srikakulam Pipeline Project.

He is a key executive Managing Director of Holding company Andhra Pradesh Gas Distribution Corporation Limited. He was appointed as Managing Director nominated by APGDC at our Board in July 2020.

Shri Raman Chadha
(Ex- Managing Director) (Nov 2017- July 2020)

Shri Raman Chadha, 56 Years, DIN: 06842809, is an Executive Director of Gail India Limited. He has been nodal in commencing the construction works of Kakinada - Srikakulam Pipeline and City Gas Distribution in East & West Godavari Districts of Andhra Pradesh. Under the leadership of Mr. Chadha, GGPL put up a commendable performance of developing CGD infrastructure of 26000 D-PNG Connections and 10 CNG Stations within a year in the authorized GA. A post-graduate in Electronics Engineering from Vikrama University (Ujjain), He has a distinguished career of more than 34 years in GAIL, holding key positions and assignments related to exploration & Production, LPG & Petrochemical Plant, Cross Country Natural gas Pipelines and City Gas Distribution at different work centers spanning across India i.e. Hazira in West to Lucknow in East and Delhi in North to Kakinada in South).

Prior to assuming the charge of Managing Director in APGDC and GGPL, Mr. Chadha was directly associated with the monetization of A-1 & A-3 overseas Offshore Blocks in Myanmar in association with ONGC Videsh Ltd., operating the Cambay on-land blocks CB-ONN-2000/1 & CB-ONN-2003/2 and optimizing the MN-OSN-2000/2, AAONN-2002/1 Blocks.

During the brief stint in Green Gas Ltd. as Managing Director, Mr. Chadha played a key role in turnaround of the Company's physical performance from 700 D-PNG Connections / year to 36000 D-PNG Connections / year and in increasing the number of CNG Stations from 3 to 7.

As General Manager (Maintenance) in Petrochemical Complex, Pata (Uttar Pradesh), Mr. Chadha spearheaded the Capacity Augmentation of the Plant from 410000 Tons / Annum of Polyethylene to 800000 Tons / Annum. Prior to that, Mr. Chadha, as HoD (Instrumentation) was directly associated with De-Bottle Necking of Novacor's 160000 Tons / Annum LLDPE Plant to increase capacity to 210000 Tons / Annum and in setting up new 100000 Ton / Annum HDPE Plant from the pre-feasibility study stage to implementation & commissioning.

During his early days in GAIL, Mr. Chadha played a key role in conceptualization to commissioning of 1800 Km Hazira – Vijaipur – Jagdishpur Natural Gas Pipeline and LPG Plant at Vijaipur (Madhya Pradesh). Further, innovative Operation & Maintenance techniques of Mr. Chadha played a major role in reducing the downtime and improving operational efficiency of LPG & Petrochemical Plant of GAIL.

With his rich academic lineage, Mr. Chadha published few technical Papers in GTI Orlando and FCRI Chronicles and has authored a Book named "Standardization of Metering Skids & Custody Transfer" which later became the guiding document for gas metering in GAIL. Further, Mr. Chadha, for a brief period, led multi-disciplinary audit team responsible for corporate governance and Compliance Audits and during this period, his contribution in reorienting the Audit Structure of the Company for improving the overall Audit efficacy was exemplary.

He was a key executive Managing Director of Andhra Pradesh Gas Distribution Corporation Limited. He was appointed at our Board in November, 2017 till July 2020.

Dr.Koya Praveen
(Director) (May 2018- August 2019)

Dr.Koya Praveen, 40 Years, DIN: 07858949, is an IPS Officer of 2009 Batch. He has wide experience in Infrastructure, Railway and Gas sector and various other allied services. He has also held various posts such as Director (Finance) at Andhra Pradesh Gas Distribution Corporation Limited and Managing Director of APGIC, Infrastructure Corporation of Andhra Pradesh Limited and Andhra Pradesh Maritime Infrastructure Development Corporation Limited. He was appointed at our Board as Non- Executive Director nominated by APGDC from May, 2018 till August 2019.

Shri Hari Narayanan Murugan
(Director) (Jan 2020- Present)

Shri Hari Narayanan Murugan, 35 Years, DIN: 07582612, is an IAS Officer of 2011 Batch. He has also held various posts such as Director (Finance) at Andhra Pradesh Gas Distribution Corporation Limited and Managing Director of APGIC, Infrastructure Corporation of Andhra Pradesh Limited. He was appointed at our Board as Non- Executive Director nominated by APGDC from January, 2020.

Shri Dilip Kumar Pattanaik
(Director) (July 2018- Present)

Shri Dilip Kumar Pattanaik, 55 Years, DIN: 07540032, is an Executive Director (Gas & Renewables) of Hindustan Petroleum Corporation Limited. He has wide experience in Gas and renewables sector and nominated as Directors in various companies promoted by HPCL such as HPOIL Gas Private Limited and Mumbai Aviation Fuel farm Facility Private Limited. He was appointed as Non- Executive Director nominated by HPCL at our Board in July, 2018.

Shri Sai Kumar Suri
(Director) (September 2018- Present)

Shri Sai Kumar Suri, 56 years, DIN: 08199696 is an Executive Director (Retail) of Hindustan Petroleum Corporation Limited. He has vast experience in Retail Engineering sector. He was appointed at our Board as Non-Executive Director nominated by HPCL in September, 2018.

INDEPENDENT AUDITORS' REPORT

To the Members of M/s. Godavari Gas Private Limited Report on the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of M/s. Godavari Gas Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit And Loss (Including Other Comprehensive Income) The Statement of Cash Flows And Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the states of affairs of the company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Audit specified under section 143(10) of the Act ("the SAs"). Our responsibilities under those Standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (the "ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibility for Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation of these Ind AS financial Statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in the equity of the company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness the accounting records, relevant to the preparation and presentation of the Ind AS financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and access the risks of material misstatement of financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and the significant audit findings, including the any significant deficiencies in internal control that we identify during the audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements.

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure-A**" a statement on the matters specified in paragraphs 3 and 4 of the order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which are to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of these books.
 - c. The Balance Sheet, The Statement of Profit and Loss, the statement of Cash Flows and the Statement of changes in the Equity dealt with by this report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of sections 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure –B**".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.

3. As required under section 143(5) of the Act, following are the observations on directions issued by the Comptroller and Auditor-General of India.
- a. The company is having existing system of accounting under Tally ERP through which all the accounting transactions are taken place. However, the material/inventory management is separately tracked and accounted in tally. The company has implemented SAP in the current financial year and started processing accounting transactions in SAP. In house billing Collection software is under development for processing and monitoring PNG billing transactions. All these activities shall be integrated to SAP in future period.
 - b. There is no case of restructuring of existing loan, waiver/write off of debts/loans/interests etc.,
 - c. As per information, explanation and records produced for verification, there are no funds received/receivable for any specific schemes from central government/state agencies.

ANNEXURE-A to the Independent Auditors' Report

Referred to in Report on other Legal and Regulatory requirements of the Independent Auditors' Report of even date to the members of Godavari Gas Pvt. Ltd. on the financial statements as of and for the year ended 31st March 2020:

1. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
 (b) As Explained to us, these fixed assets have been physically verified by the management at reasonable intervals. No material discrepancies have been noticed on such physical verification.
 (c) According to the information and explanations given by the management, the title deeds of immovable properties included in tangible assets are held in the name of the Company.
2. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable.
 (b) On the basis of our examination of the inventory records, the company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records have been properly dealt with by the company.
3. According to the information and explanation given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the act. Accordingly, the clauses (iii) (a), (iii) (b) and (iii) (c) of paragraph 3 of the Order are not applicable to the company.
4. There are no loans, investments, guarantees and security to which provisions of section 185 and 186 of the Act are applicable. Accordingly, the clause (iv) of paragraph 3 of the Order is not applicable to the Company.
5. As explained to us, the Company has not accepted any deposits to which directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under are applicable. Accordingly, clause (v) of paragraph 3 of the Order is not applicable to the Company.
6. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its services. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate and complete.
7. a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company has generally been regular in depositing undisputed statutory dues including provident funds, employees' state insurance, income-tax, sales-tax, service-tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, applicable to it with the appropriate authorities. According to the information and explanations given to us, there were no undisputed statutory dues which have remained outstanding as at 31st March, 2019 for a period more than six months from the date they became payable.

- b) According to the information and explanations given to us and the records of the company examined by us, there are no dues of income tax or sales tax or services tax or duty of customs or duty of excise or value added tax which have not been deposited on account of any dispute.
8. According to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of dues to bank. The company has not borrowed any moneys from any financial institution or government or debenture holders.
 9. In our opinion and according to the information and explanations given to us, the term loans have been applied by the company for the purposes for which the same were obtained. The company has not raised any moneys by way of initial public offer or further public offer (including debt instruments).
 10. On the basis of our examination and according to the information and explanations given to us, no fraud, by the Company or any fraud on the company by its officers or employees has been noticed or reported during the year.
 11. The company is a Private Limited Company. Accordingly, the clause (xi) of paragraph 3 of the Order relating to the payment or provision of managerial remuneration in accordance with requisite approvals mandates by the provisions of section 197 read with Schedule V to the Act is not applicable to the Company.
 12. The Company is not a Nidhi Company. Accordingly, the clause (xii) of paragraph 3 of the order is not applicable to the Company.
 13. According to the information and explanations given to us and the records of the company examines by us, all transactions with related parties are in compliance with Section 177 and 188 of the Act where applicable and the details have been disclosed in the Financial Statements as required by the applicable Accounting Standards.
 14. According to the information and explanations given to us and the records of the Company examined by us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the clause (xiv) of paragraph 3 of the Order is not applicable to the Company.
 15. According to the information and explanations given to us and the records of the Company examined by us, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the clause (xv) of paragraph 3 of the Order relating to the compliance to the provisions of section 192 of the Act is not applicable to the Company.
 16. The Company is not required to be registered under section 45-1A of the Reservation Bank of India Act, 1934. Accordingly, the clause (xvi) of paragraph 3 of Order is not Applicable to the Company.

ANNEXURE-B to the Independent Auditors' Report**Report on the Internal Financial Controls under Clause i of Sub-section 3 of Section 143 of the Companies Act 2013 ("the Act") referred to in Report on Other Legal and Regulatory requirements of the Independent Auditors' Report of even date**

We have audited the internal financial controls of M/s. GODAVARI GAS PRIVATE LIMITED ("the Company") as of March 31, 2020 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants Of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error.

We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide assurance

regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected Also projections of any evaluation of the internal financial controls over financial periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

GODAVARI GAS PRIVATE LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31st March 2020.****1. Reporting Entity**

Godavari Gas Private Limited (GGPL/the “Company”) is a company domiciled in India with registered office, in Rajahmundry, Andhra Pradesh.

GGPL was promoted as a joint venture company between Andhra Pradesh Gas Distribution Corporation Limited (‘APGDC’) and Hindustan Petroleum Corporation Limited (‘HPCL’) to carry on all or any business of storage, supply, sale, distribution and marketing of Compressed Natural Gas (CNG) as fuels for vehicles, Piped Natural Gas for domestic/commercial/industrial purposes in the states of Andhra Pradesh.

2. Basis of preparation of financial statement**(a) Statement of compliance:**

- i) The financial statements have been prepared in accordance with Indian Accounting Standards (“Ind AS”) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- ii) Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- iii) The financial statements were authorised for issue by the Board of Directors on 28th April 2020.

(b) Functional and presentation currency:

- i) These financial statements are presented in INR, which is the Company’s functional currency. All financial information presented in INR has been rounded to the nearest rupees.

(c) Use of estimates and judgements:

- i) The preparation of the financial statements in conformity with Ind ASs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.
- ii) Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

3. Significant accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, unless otherwise indicated.

(a) **Inventories:**

- i) Inventories are measured at the lower of cost and net realisable value.
- ii) The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of manufactured inventories, cost includes an appropriate share of production overheads based on normal operating capacity.
- iii) Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(b) **Income Tax:**

- i) Income tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in the statement of profit and loss except relating to items recognised directly in equity or in other comprehensive income.
- ii) Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.
- iii) Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.
- iv) Deferred tax is not recognised for the following temporary differences: the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit/ loss.
- v) Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.
- vi) Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.
- vii) A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which

they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(c) Property, Plant and Equipment:

- **Recognition and measurement**

- i) Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.
- ii) Cost includes expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the assets to a working condition for their intended use and borrowing costs on qualifying assets.
- iii) When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.
- iv) Stores & Spares which meet the definition of property plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.
- v) Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognised net within other income in the statement of profit and loss.
- vi) The capital work in progress includes material in transit / value of materials / equipment etc. received at site for use in the projects.
- vii) The related expenditure incurred during the year, which is attributable to acquisition / construction of fixed assets/projects, is capitalized at the time of commissioning of such assets.

- **Subsequent Costs**

- i) The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit and loss as incurred.

- **Depreciation**

- i) Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value.

- ii) Depreciation is recognised in the statement of profit and loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term. Land is not depreciated.
- iii) The estimated useful lives for the current and comparative periods are determined with reference to Schedule II to the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate

- **Intangible assets**

- i) Intangible assets are carried at cost net of accumulated amortization and accumulated impairment losses, if any. Internally generated intangibles, excluding development costs, are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred. Development costs are capitalised if technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Corporation has an intention and ability to complete and use or sell the asset and the costs can be measured reliably.
- ii) The useful lives of intangible assets are assessed as either finite or indefinite.
- iii) Intangible assets with finite lives are amortised on straight line basis over their useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each financial year end. The amortisation expense on intangible assets with finite lives and impairment loss is recognised in the statement of Profit & Loss.
- iv) Intangible assets with indefinite useful lives, such as 'right of way' which is perpetual and absolute in nature, are not amortised, but are tested for impairment annually. The useful lives are reviewed at each period to determine whether events and circumstances continue to support an indefinite useful life assessment for that asset. If not, the change in useful life from indefinite to finite is made on a prospective basis. The impairment loss on intangible assets with indefinite life is recognised in the Statement of Profit and Loss.

(d) Lease accounting- Leased Assets, liability & payments

The company has adopted IND AS 116 in accounting for leases in the place of IND AS 17 w.e.f 01.04.2019 and consequently various financial adjustments including but not limited creation of lease assets for right-of-use, lease liability, periodical depreciation, interest & principal repayment accrual in the place of recognizing lease payments on straight line basis over the lease term for all leases with a term of more than 12 months.

(e) Revenue:

- **Goods Sold:**

- i) Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when persuasive evidence exists, usually in the form of an executed sales agreement, that the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably. If it is probable that discounts will be granted and the amount can be measured reliably, then the discount is recognised as a reduction of revenue as the sales are recognised.
- ii) The timing of the transfers of risks and rewards varies depending on the individual terms of the contract of sale, which generally coincides with the delivery of goods to the customers.

- **Others:**

- i) Insurance claims are accounted for on the basis of claims admitted/settled by the insurers.

(f) Employee Benefits:

- **Defined contribution plans**

- i) A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an employee benefit expense in the statement of profit and loss in the periods during which services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available. Contributions to a defined contribution plan that is due more than 12 months after the end of the period in which the employees render the service are discounted to their present value

- **Defined Benefit Plans:**

- i) A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit pension plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service costs and the fair value of any plan assets are deducted. The discount rate is the yield at the reporting date on government bonds, in the absence of deep market for high quality corporate bonds that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid. The calculation is performed annually by a qualified actuary using the projected unit credit method.

- ii) To the extent that the benefits vest immediately, the expense is recognised immediately in the statement of profit and loss. The Company recognises all actuarial gains and losses arising from defined benefit plans in other comprehensive income.

- **Other long-term employee benefits**

- i) The Company's net obligation in respect of long-term employee benefits other than pension plans is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on government bonds, in the absence of deep market for high quality corporate bonds that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains/ losses are recognised in the statement of profit and loss in the period in which they arise.

- **Short term employee benefits**

- i) Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

(g) Foreign currency

- i) Transactions in foreign currencies are translated to functional currencies of Company at exchange rates at the dates of the transactions.
- ii) Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortised cost in foreign currency translated at the exchange rate at the end of the reporting period.
- iii) Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined.
- iv) Foreign currency differences arising on retranslation are recognised in the statement of profit and loss.
- v) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

(h) Provisions

- i) A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

(i) Impairment

• Financial assets (including receivables)

- i) A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.
- ii) Objective evidence that financial assets are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Company on terms that the Company would not consider otherwise, indications that a debtor or issuer will enter bankruptcy, or the disappearance of an active market for a security.
- iii) In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for trade receivables
- iv) The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables
- v) ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected in a separate line in the statement of profit and loss as an impairment gain or loss.

• Non-Financial Assets

- i) The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated each year at the same time.
- ii) The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit, or CGU").

- iii) The Company's corporate assets do not generate separate cash inflows. If there is an indication that a corporate asset may be impaired, then the recoverable amount is determined for the CGU to which the corporate asset belongs.
- iv) An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment losses recognised in respect of CGUs are allocated to reduce the carrying amounts of the other assets in the unit (group of units) on a pro rata basis.
- v) An impairment loss in respect of assets, impairment losses recognised in prior periods is assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(j) Financial Instruments:

• **Financial Assets**

- i) The Company initially recognises loans and receivables and deposits on the date that they are originated. All other financial assets are recognised initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.
- ii) The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset or liability. Financial assets and liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.
- iii) They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.
- iv) The Company's financial assets include security deposits, cash and cash equivalents, trade receivables and eligible current and non-current assets. Cash and cash equivalents comprise cash balances and call deposits with original maturities of three months or less.

• **Financial Liabilities**

- i) The Company initially recognises debt securities issued and subordinated liabilities on the date that they are originated. All other financial liabilities are recognised initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

- ii) The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire.
- iii) Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.
- iv) The Company has the following financial liabilities:

Loans and borrowings and trade and other payables: Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest method.

- **Share Capital**

- i) Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

(k) Finance Income and Finance Costs

- i) Finance income comprises interest income on funds invested, dividend income. Interest income is recognised as it accrues in the statement of profit and loss, using the effective interest method.
- ii) Finance costs comprise interest expense on borrowings, unwinding of the discount on provisions, impairment losses recognised on financial assets. Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in the statement of profit and loss using the effective interest method.

(l) Earnings per share

- i) The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares.
- ii) Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period, adjusted for own shares held.
- iii) Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares, which comprise of shares to be issued to APIIC as a consideration for land given to the Company.

(m) Cash and Cash equivalents

- i) Cash and cash equivalents includes cash on hand, balances with banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(n) Non-Current Assets Held for Sale

- i) Non-current assets comprising assets and liabilities, that are expected to be recovered primarily through sale rather than through continuing use, are classified as held for sale. Immediately before classification as held for sale, the assets are remeasured in accordance with the Company's accounting policies. Thereafter generally the assets are measured at the lower of their carrying amount and fair value less cost to sell. Any impairment loss on initial classification as held for sale and subsequent gains or losses on re measurement are recognised in the statement of profit and loss. Gains are not recognised in excess of any cumulative impairment loss.

(o) New standards and interpretations not yet adopted

- i) A number of new standards, amendments to standards and interpretations are not yet effective for the year ended 31 March 2020, and have not been applied in preparing these financial statements. None of these is expected to have an effect on the financial statements of the Company.

GODAVARI GAS PRIVATE LIMITED
NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Note 4: Property, Plant and Equipment

As at March 31, 2019	-	-	7,43,045	7,43,045

B. Financial Risk Management**I. Risk management Framework**

Currently Board is appraised of all the project related activities and associated risks which are discussed and deliberated by the Board. Adequate risk mitigation measures have been put in place as per directions of the Board.

The Company has exposure to the following risks arising from financial instruments:

- Credit Risk
- Liquidity Risk

i. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or the counterparty to a financial instrument fails to meet its contractual obligation.

The cash and cash equivalents represents balance held in bank.

ii. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The company is under implementation stage and the source of liquidity is capital infusion from promoters.
